- Github
- Figma

SOFT SKILLS

- Management Skills
- Communication Skills

LANGUAGE

- English
- Tamil
- Kannada

OBJECTIVE

Seeking a challenging Front-End Developer role where I can gain more knowledge and utilize all of my development skills to provide outstanding service for the growth of organization.

PROJECTS

- Developed a **YouTube clone** website (Front-End alone) during the Front-End Development course in Spotknack. I have learned **Front-End** by developing the clone and also web hosting by hosting it.

Hosted Link : <https://firstclone-pro.netlify.app/>

- Developed a **website Current Weather detection** using **React** and the data is fetched from the **OpenWeather API**.

Hosted Link : <https://weaterapp-fapi.netlify.app>

- Developed a **website for Hospital** during the **Front-End** Development course in spotknack.

Hosted Link : <https://hopitalwebpage.netlify.app/>

- Developed a **Portfolio for my team** during the **Front-End** Development course in spotknack.

Hosted Link : <https://teamfalcon2022.netlify.app/>

- Developed a **To-do list** application using **React**.

Hosted Link : <https://to-doli-re.netlify.app/>

- Developed a **14 React Tasks** using **React ,API and JS**.

TEAM WORK

I'm a member in the "**Team Falcon**". We have done few projects and learned Front-End development together. We have also awarded **MOST ACTIVE TEAM** among others.
